CELEBRATING OUR CULTURAL DIVERSITY™
KARL BANG®

5678000-01041

Shanghai born Karl Bang was formally trained in the 1940s by the master artists of Chinese painting and in the European painting tradition in France and Belgium. This cross-cultural fusion of styles has earned him the title of "Master of Contemporary Eclecticism". For Karl, painting women goes much deeper than their outer beauty. He sees women as epitomising the gentler instincts of humankind - nurturing, gentility, truth, and inner strength.

Né à Shanghai, Karl Bang a été formé dans les années 40 par les Maîtres Artistes de la peinture chinoise et dans la tradition de peinture européenne de France et Belgique. Cette fusion multiculturelle de styles lui a fait gagner le titre de "Maître éclectique contemporain". Pour Karl, peindre des femmes va beaucoup plus loin que leur beauté extérieure. Il les voit comme l'incarnation des instincts délicats de l'humanité - Education, douceur, vérité et force intérieure.
